Allure Signature Facial

The Allure Signature Facial delivers immediate and visible results, leaving your skin refreshed and rejuvenated. Suitable for all skin types, this treatment minimizes pores, enhances texture, and restores a youthful glow. LED light therapy is incorporated to stimulate collagen production, promote cell regeneration, and reduce inflammation, making it ideal for both anti-aging and acne-prone skin.

“Skip the Botox” Botinol Facial

For those looking for a non-invasive anti-aging solution, the Botinol Facial offers a Botox-like effect without needles. Infused with five peptides and retinol, this treatment smooths expression lines, reduces wrinkles, and improves skin firmness, earning its reputation as a needle-free alternative to cosmetic injections.

Advanced Brightening and Anti-Aging Treatments

Our **G.M. Collin Power-C Brightening Facial** is designed to combat sun damage, hyperpigmentation, and uneven skin tone using stabilized Vitamin C and powerful antioxidants. For mature or stressed skin, the **G.M. Collin Collagen Rejuvenate Facial** helps reduce fine lines, boost elasticity, and deeply hydrate the skin with instant visible results.

Specialized Facials and Add-On Treatments

Allure Day Spa also offers Hydrafacial Mini, deep cleansing acne facials, dermaplaning, Glow Mini Facials, and Detox Back Facials.
